

TRACK 48V

A57C-860-02

Kit Superficie TRACK 48V Negro

indeluZ

B32 / B34 / B35: 4-wire rail, with two options for use: option 2 circuits (2x +/-15A/0-60V dc) or option 1 circuit (+/-15A/0-60V)+ Data Bus (D+/D-). The DC voltage connection is 48V. The rail can support 25kg with a distance between fixings of 0.9m. B33: Double rail 8 conductors, 4 on top and 4 on bottom. On each side, with two options for use: option 2 circuits (2x +/-15A/0-60V dc) or option 1 circuit (+/-15A/0-60V)+ Data Bus (D+/D-). The DC voltage connection is 48V. The rail can support 25kg with a distance between fixings of 0.9m.

DATOS GENERALES

Categoría	Accesorios
Familia	Track 48V
Acabado	[02] Negro
Ubicación	Interior
Instalación	Techo
Material del cuerpo	Aluminio
ETIM class	EC002557
EAN	8433264105471

FUENTES DE LUZ

HACES DE LUZ

DATOS TÉCNICOS

IP	IP20
Clase eléctrica	Clase III
